

St. Peter's Reception Class Newsletter

Autumn Term 2024

Welcome!

Welcome to the Reception class at St. Peter's School. We hope you like the new look! We have had the most amazing start to this term. The children are already very settled and are happily accessing all areas of the indoor and outdoor learning environments. We have enjoyed playing, painting, drawing, making shows, building and reading together already. We feel very privileged to be a part of your child's start to school life.

Clothing

If possible, could you please bring wellington boots and spare school uniform to school. You are also welcome to bring in puddle suits however we do have lots in school for children to use too. Please ensure everything is clearly named.

Birthdays

If your child is celebrating their birthday, they can come to school in their own clothes on their special day. If you are planning on bringing in birthday treats, please can they be individually wrapped, for example small cupcakes.

Contact

We will work hard to ensure you are fully informed with what is happening in Reception, however if you have any questions or concerns, please do not hesitate to ask us at drop off or pick up, or via e-mail. Or if it is a more urgent matter then please phone the office and they will pass the information on.

Please e-mail: s.mason@stpeter.sch.je.

Physical Development

Our PE days are on Thursday and Friday and we ask that all children come into school in their PE kits on these days. On a Thursday morning we will be having swimming lessons with Le Mourier and the children have been split into three groups for this, so everyone will have a turn to swim during their year in Reception. If your child is not swimming this term then they will remain in school and do a PE lesson instead. Children will need to bring named swimming wear and a towel. If they would like to put their costumes on under their clothes in the morning then they can. We will let you know which group your child is in as soon as possible. Our other PE session is with Sport Bugs on a Friday afternoon who come in to school and teach the children new skills and games using fun and exciting equipment.

Diary Dates

10/9/23: Curriculum Evening 6pm

12/9/23: Battle of Britain Day: school closed

Snack

As you are aware we will be providing your child with snack this year. We will put a menu up each week outside of the classroom for you to see. Please do let us know of any dietary requirements that we are not already aware of. However, starting on the 14th September, for 15 days we have Food4Thought Jersey providing us with locally sourced fruit and vegetables for our daily snacks. More information will be provided on this closer to the time.
