Home Learning Guidance

27.4.20	Morning Activities	Activity of the Day (Activity instructions on Seesaw / website)	Activities Choose one from any activities listed below
Monday	1. PE with Joe This can be done live at 9:00 or saved until later in the morning. 	Phonic sound: 'ire' Find the 'ire' words.	Music Why not have some fun & sing along with 'Out of the Ark' daily songs and activities https://www.outoftheark.co.uk/ootam-at-home or learn some campfire songs
Tuesday	2. Reading See if you can read: Our new poem - 'Ten Little Firefighters'. 	English What the Ladybird Heard Rhyming fun	https://www.youtube.com/watch?v=86w_7VODRxo&list=PLE51B264DF59F079C&index=21 There's lots here but look out for 'Ging Gang Goolie, Alice the Camel, B-I-N-G-O & On top of Spaghetti
Wednesday	Keep practising your sight words and watch out for some timed challenges! Online reading books! 3. Maths I will be posting a new link and activity each day but we will be focusing on counting in 10's and place value.	Science - Animals Last week we thought about the different animal groups. Can you remember what they were? This week we are going to be: Comparing animals	Food Technology Have fun making a 'rainbow salad' – you could make it on a plate and using different ingredients but here's an idea: https://www.bbcgoodfood.com/recipes/layered-rainbow-salad-pots
Thursday	Monday – Counting backwards and forwards in tens Tuesday – Counting in tens from any number	English What the Ladybird Heard Make a wanted poster 	Lego Can you build a maze? Design Technology 
Friday	Wednesday – 10 more and 10 less Thursday & Friday – Place value to 100 (tens and ones) 	Phonics - ire Lots of words that have the 'ire' sound are compound words. (2 words put together to make one word) Compound word fun	Recycle some of the cardboard boxes and 'clean rubbish' and see if you can make an animal. It could be a fantasy creature. (search 'junk model animals on 'Pinterest') P.E. Create your own obstacle course or 'challenge trail' – use some chalk to mark out a trail of activities  

There's also some really great activities here <https://www.stem.org.uk/home-learning/primary> that are based on science, technology, engineering and maths and use all sorts of things you have at home.
