Afternoon

Lunch

Encourage your child to help prepare parts of their lunch
E.g. spreading butter on their bread.

Let them wash up and dry their lunch dishes or put their dishes in the dishwasher.

Afternoons

Please use the afternoons for exercise or for the children to play and /or complete activities all by themselves. This will help to develop their independence

Monday

- Listen and watch the Night Pirates story on YouTube:
<https://www.youtube.com/watch?v=h2mj5wpZILw>
- Following the instructions on the following links, make your own pirate hat from a newspaper page or make a paper hat for a teddy or doll pirate.

- You have your pirate's hat and telescope. Is there anything else a pirate needs? In your book, write a list of the things a pirate might need – a treasure map, a compass, a parrot?

Tuesday

- You have been investigating what floats and what sinks. Write a secret message to go in a bottle. It could be a message asking for help to escape or it could be a clue to where to find the treasure. Will your bottle float or sink?
- Take a look at the PowerPoint 'All About Pirates'. The link is on our web page. You can find out your own pirate name.
- Draw a picture of you as a pirate – Don't forget to label it with your pirate name.
