

# UNLOCKED DOWN LIBERATION

## A Street Party with a Difference

**WE'RE GOING THROUGH  
TOUGH TIMES!**

**LET'S NOT LET LIBERATION 75 SLIP AWAY**

How about getting out in your front garden,  
yard or balcony on Saturday 9th May at 3pm

Prepare your own food, drinks, decorate your garden  
if you wish and celebrate with your neighbours.

This would be a heart warming community event.

We hope to wave from a distance and see you there.

Please note, we must strictly adhere to the social distancing rules in place at this time. We **MUST NOT** venture into each others gardens. The idea is that we can celebrate together but from the safety of our own properties. If you are chatting with neighbours over the wall please remember :

**YOU ARE STILL REQUIRED TO SOCIAL DISTANCE FROM EACH OTHER**

# STAY SAFE

By kind permission of the Connétable. Organised by Delphine, Vice Chairman, St Peter's Battle of Flowers Association
