Monday 2 February 2026

Dear Parents and Carers,

We have well and truly settled into the New Year! The class curriculum letters will have provided you with detailed information about what is going on in all the classes this term and so much already has! We are delighted with all the sporting and Eisteddfod triumphs so far - we are so proud of their demonstrations of motivation and achievement. Our curriculum offer continues to develop enrichment opportunities through music and art and many classes have already been on trips to support their learning. Dates for class assemblies have been set and are as follows:

Date	Class
6 March	Year 5
13 March	Year 4
27 March	Year 6
1 May	Nursery
8 May	Reception
22 May	Year 2
5 June	Year 3
19 June	Year 1

School Improvement

As well as a continued focus on curriculum development, we have been working on our 'Behaviour and Relationships' Policy. School Reviews have always commended the ethos of our school and the high-quality relationships and attitudes to learning displayed, but as the children say, "Ms Rashid wants the school to be even better!". We have been gradually working on noticing and improving our conduct to ensure we create the best conditions for learning with our 'wonderful walking' and 'lovely lines'. We have always made a conscious effort to recognise and celebrate these positive attitudes and we will be developing ways to do even more of this and support children who can find it tricky to make good choices. We see school as a practise for when we are adults so we are using opportunities to help the children understand how the choices they make can impact one another and find solutions to create greater harmony. There will be more information about our updated policy next half term.

As you will recall, we launched our new PSHE called SCARF, this September. In support of Children's Mental Health Week, on Friday 13 February, children will be invited to **wear a scarf to school**. The acronym 'SCARF' represents the values that can be "wrapped around" children and supports our core values.

Harold the Giraffe, the mascot also shares his wonderful stories to help us understand the strands.

Their SCARF might represent them in some way; their favourite colour, their favourite football team, a scarf with a country on it, a religious scarf or a scarf that belongs to a loved one **but** any scarf will be great. We look forward to seeing the wonderful variety next week!

OPAL

Each term, we continue to build the opportunities children experience within our playground. You will be aware from the previous updates of how OPAL (Outdoor Play and Learning) has given us many ideas to improve St Peter's outdoor provision. I am so proud of what we have achieved as a small team. We regularly share updates with the children and talk to them about the risks and the benefits so they can play with thrills BUT safely too. It is wonderful to see them look so gleeful as they ride, climb, swing, dress up, dance and make mud pies and sandcastles! We will be hosting our OPAL assembly for parents in Years One to Six to give you a chance to hear about what happens. This will be on **Thursday 26 February at 9am**. There will be an assembly for parents led by Mrs Charlotte Derry who has supported us along the journey and then an opportunity to go outside with children so they can show you what happens. The morning will be over by around 10am.

Uniform

As we move forward into the term, I want to thank all our pupils and families for the pride you continue to show in our school community. One of the simplest but most powerful ways we demonstrate this pride is through maintaining our high standards of uniform. Wearing our uniform smartly reflects our shared values, sets the tone for learning, and helps everyone feel part of something special.

I kindly remind everyone to keep up these excellent standards each day. Your support in ensuring pupils arrive in full, correct uniform makes a real difference. **If you are struggling with any aspect of uniform, please do contact the office—we are here to help.** We will also be talking to the children about the importance of wearing their uniform with pride. Thank you for your continued commitment and partnership.

We are constantly striving to ensure we respond and action any concerns or queries you may have, so do please approach your classteacher in the first instance. Mr Devlin, Mrs Sewrey or myself are available some mornings and afterschool on the playground if you want to speak to one of us briefly or you can make an appointment by contacting us through the main office.

With very best wishes,

Ms N Rashid
Headteacher
