

St Peter's School Play Charter

Play is Important!

Play helps us learn, grow strong, and feel happy
We spend lots of our school day playing, so we make it the best it can be!

We Include Everyone

We invite others to join our games
We take turns and share equipment
We use kind words with our friends

We Play in Lots of Ways

We climb, run, build, imagine, create and explore!
We can get muddy or wet — it's part of the fun!

We Look After Our Play Things

We tidy up when playtime ends
We use equipment safely and responsibly

We Keep Ourselves and Others Safe

We listen to adults who help us
We think before we act and try new things safely

Our Big Play Promise

We will try new things!
We will be brave, creative and curious!
We will help make playtime fun for everyone!

Our Vision

We want every playtime to be full of joy, imagination, friendship and adventure!
