Spelling and times tables practice is on-going

You could record your scores, are you showing an improvement? Create a graph showing your results
You could even share them with me!

Uploading Work

Whilst I do not expect every single piece of work to be submitted, I would now like to see **at least one piece of work shared daily** on Google Classroom each week. This is so that I can keep a record of the fantastic learning and hard work you are doing at home! Thank you, Miss Banks. 😊
