

Early Years: Reception Home Learning Guidance *Week 6*

	Suggested Morning Activities and Skills	Afternoon
<p>Week Beginning: 1.6.20</p> 	<p>Each day log on to White Rose Maths to follow the activity set for that day. Home Learning – Early Years. Summer Term Week 6. https://whiterosemaths.com/homelearning/early-years/ Each day log on to Oxford Owl home to access a book from the e-library. Follow the activities based on the book you choose if there are any. https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/</p> <p>Use the class login details</p> <p>Username: stpeterrec (all lowercase)</p> <p>Password: 2020 (all digits)</p> <p>Each day practice your red words and green words.</p>	 <p>Lunch Encourage your child to help prepare parts of their lunch E.g. spreading butter on their bread.</p>
<p>Monday</p> 	<ul style="list-style-type: none"> Listen and watch the story of 'The snail and the whale'. Click on the link below: https://www.youtube.com/watch?v=x887mPO9X9c Whale takes snail to many different places. Write about where you would like to visit and why. Would you go to the snowy mountains or to a beach with great waves? What would you do there? Here is a great lesson on how to draw a snail. Click on the link and give it a go: https://www.youtube.com/watch?v=aeQTgRi-MG4 	<p>Let them wash up and dry their lunch dishes or put their dishes in the dishwasher.</p>
<p>Tuesday</p> 	<ul style="list-style-type: none"> Make a list of all the things you would need to pack for your trip. Think carefully about what you need - Boots in the mountains, Flip Flops for the beach etc. A famous artist called Henri Matisse made a work of art called the snail. Follow this link to make your own Matisse style masterpiece: https://www.tate.org.uk/kids/make/cut-paste/collage-matisse-snail Watch the animated film of 'The whale and the snail' on the BBC iPlayer. Click on the link below: https://www.bbc.co.uk/programmes/m000cslw 	 <p>Afternoons Please use the afternoons for exercise or for the children to play and /or complete activities all by themselves. This will help them to</p>
<p>Wednesday</p> 	<ul style="list-style-type: none"> Snail is very small, whilst whale is very big – the largest animal on earth! Compare these animals in this biggest and smallest game. Click on the link to play: https://www.topmarks.co.uk/early-years/lets-compare Send a postcard home from where you have visited. Draw a picture on the front and write a message on the back. Get some help to write your home address so the postie knows where to deliver it. Have a go at the 'Frozen Sea' experiment. (You can use any small plastic objects if you don't have sea animals). Follow the instructions on the link on our web page. 	

Thursday

- Watch this Numberblocks episode to help you understand a little more about odd and even numbers. Click on the link below: <https://www.bbc.co.uk/iplayer/episode/b08r2l4d/numberblocks-series-2-odds-and-evens>
- Learn all about snails. Click on the link below to find out more: <https://www.youtube.com/watch?v=pLCtVGB1mFw>
- We have learnt about lots of different stories. Write about which is your favourite and why? Is your favourite book by Julia Donaldson or Eric Carle? Or is it The Night Pirates or is it Supertato?

become more independent.

Friday

- Listen and watch the story of 'Snail trail'. Click on the link below: <https://www.youtube.com/watch?v=XsCgl6DobN4>
 - Write a list of directions to see if someone else can follow your trail.
 - Bake some jammy snails. You could always use a slice of bread or a tortilla wrap if you don't have any pastry. Click on the link below to get the instructions: <https://www.jusrol.co.uk/pastry-recipes/jammy-snails>
- Or you could try some other minibeast snacks. Look at the pictures on the link on our web page for some ideas.

Don't forget about our Arts and Crafts project 'Our Beautiful Island'.

This can be in any form or material, all finished pieces must be handed into the school office by June 26th. Remember to label them with your child's name please.

If this week's book does not interest your child, then feel free to base your writing and learning around something that does spark joy – surfing, unicorns, planets, pets. Let their interests lead their learning – as long as you are sharing stories, supporting them with writing and maths activities, playing games and having fun, then your child will be learning.

Don't forget to share your photos via e-mail or EExAT. That's what keeps me inspired!

Happy Learning!
