#### **Afternoons**

Please use the afternoons for exercise or for the children to play and /or complete activities all by themselves. This will help them to become more independent.

### Wednesday

- Make and decorate a wizard's hat or a princess's crown or both!
- Write some sentences describing the wizard or the princess – or both!
- Practice your segmenting and spelling skills with this game by clicking on the link below:

<https://new.phonicsplay.co.uk/resources/phase/2/rocket-rescue>

## Thursday

- Go on a colour treasure hunt. Try to find an item for each colour the princess used to try and escape from the wizard. Draw a picture and write a list of the things you have found.
- Mix a special magic potion. Make sure you have a grow up to help you. Follow the instructions on the link on our web page.
- Practice your addition skills to ten with this game by clicking on the link below:

<https://www.topmarks.co.uk/addition/addition-to-10>

## Friday

- Write a shopping list of all the party foods that you would like at a party.
- Build your own castle – out of Lego, building blocks or junk modelling. I'd love to see a photo!
- Make a bird feeder so that the birds can enjoy a party feast in your garden or outside area. Follow the instructions by clicking on the link below:

Don't forget about our Arts and Crafts project 'Our Beautiful Island'.

This can be in any form or material, all finished pieces must be handed into the school office by June 26<sup>th</sup>. Remember to label them with your child's name please.

If this week's book does not interest your child, then feel free to base your writing and learning around something that does spark joy – dinosaurs, fairies, sea life, superheroes. Let their interests lead their learning – if you are sharing stories, supporting them with writing and maths activities, playing games and having fun, then your child will be learning.

Don't forget to share your photos via e-mail or EExAT. That's what keeps me going!

Happy Learning!
