

French Home Learning

Year 5

Over the next couple of weeks it would be good to practise some of the things we have already learnt in French and see if you can learn the names of some 'Sports'.

You can choose the activities you do but please remember that they are in addition to any work the Mrs McDermott has asked you to do.

It is best to practise French in 'little chunks' so doing a little bit more regularly will help.

If you want to share your work, please send it directly to me, Mrs Brown via my school email: s.brown@stpeter.sch.je

Animals	<p>Here are 2 websites that will help you to revisit a range of animal names: https://www.youtube.com/watch?v=OLUrufz-RRA https://www.youtube.com/watch?v=n0iGgdhyGg0</p> <p>Here's a song that will help you practise the animal names and some clothes: https://www.youtube.com/watch?v=KgLGzpSB8Bw</p> <p>This is a 'real' French story and it has lots of words in it that you won't know and you may not understand all of it. That's ok! You can watch it a few times but each time try and listen out for some new words. Start by spotting the animals and then see if you can work any other words. https://www.youtube.com/watch?v=zFHcgzfvURQ</p>	<p>Make a map of a zoo, a farm, or a wildlife park and see if you can label all the animal enclosures. (Don't forget they will need to be in the plural form so you will need to use 'les'....)</p> <p>Or you could make some animals for your zoo ...</p> 
Sport	<p>Here are some websites that will help you to learn a range of sports in French and help you practise sharing your opinions. https://www.youtube.com/watch?v=8QXbMPJnnqg https://www.youtube.com/watch?v=WLq8VJ2EHzk https://www.youtube.com/watch?v=1oMfu-NFVTE</p> <p>In French the verb changes according to the sport – Je joue (for sports with a ball) and Je fais (for sports that don't use a ball)</p>	<p>Find out about the 'Tour De France' – this is a famous sporting event held annually in France.</p> <p>The Olympic Games were due to be held in Tokyo this year – why not make up your own version – what sports would you include? You could make a programme to show when the sports would happen. or Make a mini-book of sports https://www.youtube.com/watch?time_continue=4&v=P84HQQTlQc4&feature=emb_logo</p>

<p>New topic</p>	<p>Numbers to 69</p> <p>We are going to move on and learn the numbers up to 69. It seems like a strange number to stop at for now, but the pattern changes after 69. Watch this video to learn a bit more. https://www.youtube.com/watch?v=pJQr55oNh4I</p> <p>Here are a couple of songs to help: https://www.youtube.com/watch?v=wIYqz2unHKc https://www.youtube.com/watch?v=oIYvC7r05mU</p> <p>There are 3 key things to focus on:</p> <ul style="list-style-type: none"> * Counting to 9 really confidently and fluently un, deux, trois, quatre, cinq, six, sept, huit, neuf * Really knowing the 'tens' numbers dix, vingt, trente, quarante, cinquante, soixante * The pattern changes slightly for 21, 31, 41, 51, 61 as 'et' is added. It is not added for any of the other numbers. vingt et un, trente et un, quarante et un, cinquante et un, soixante et un 	<p>Here are some games that you could use to practise the numbers to 69 online: https://www.education.vic.gov.au/languagesonline/french/sect05/index.htm http://www.pepit.be/exercices/primaire1/mathematique/apprendrenombres/APNOMBO3.html</p> <p>This is tricky, but is really good practise. You could perhaps try the game once, every day for a week and see how much you improve. http://trainfrench.com/French/Vocabulaire/Exos_vocabulaire/Nombres/20-60/Audio/20_60_dictee_choisir.htm</p> <p>You could make yourself a poster to display in your bedroom or house to remind you of the numbers to 69. Please check your spellings!</p> <div data-bbox="1912 699 2096 879" data-label="Image"> </div>
