## Virtual parents' evening

In line with Government guidance, we are being encouraged to run virtual meetings this term.

We have allocated the following dates:

8 June 3.30-5.30pm

9 June 4.00-6.00pm

10 June 5.00-7.00pm

You will be able to sign up from Monday 24<sup>th</sup> May, from 7am for a nine minute online meeting with your child's class teacher (this allows one minute between appointments). This booking system is the Parents Evening system which was used in the Autumn Term to book consultations. Here is the user guide to support you:

These appointments allow for more than one attendee, so two parents can attend from different locations.

## Class photos

Peter Trenchard will take who class photos next Wednesday 28<sup>th</sup> April. If your child has PE on this day, they can bring their PE kit to change into after the photograph.

## Staffing news

Mrs Williams, one of our lunchtime supervisors, will be leaving in May to take up a post with Caring Cooks. This is a fantastic opportunity for her and we wish her every success.

## Mindfulness

This week, part of the staff training was on the delivery of mindfulness sessions to children and today every child had the opportunity to take part in this. Research shows that mindfulness practice can change the brain resulting in children who are more focused, are better decision makers, have improved memory and are able to identify emotions in themselves and others. The skills we teach the children over an eight-week period will help them throughout their lives. As you know, positive mental health underpins much of the work we do at St Peter and this development is key to our school improvement plans this year.

And finally, a reminder that the school is closed for the Early May Bank Holiday on Monday 3<sup>rd</sup> May.
