

St Peter's School Newsletter

14th July, 2021

Dear Parents and Carers,

...and breathe!

Thank you for supporting the school through a challenging year. I would like to thank the staff and the children for managing the mitigations and ensuring we could remain open and focus on learning. We have all experienced disappointment, fear and frustration but we have somehow all kept smiling! In September we look forward to all the things which make our school the very special place that it is. At the time of writing, there is no indication that there will be changes to school arrangements yet. Therefore, for the first week back everything will remain the same (staggered starts and pick ups, bubbles, touch point cleaning, ventilation, masks in communal areas).

Goodbye to families

This term, there are several families leaving us, some of whom have had children at the school for many years. Thank you and goodbye to the Caldeiras, Canns, Caperns, Goldings, Murrays, Pallots, Richardsons, Sharkeys, Bradys, Rudds, Declats, Forbes, Reis, Saxelbys and the Longs. All of these children have been an asset to St Peter's and their new school's gain is our loss.

Support in the holidays

The school office is closed in the school holidays. Emails are checked regularly but not daily. If you require support, advice or wish to report a concern about a child, you can contact the Child and Families Hub either on gov.je or on 519000

Learning At Home - Government request

Learning at Home has been in operation for just over one year and is beginning to evolve from supporting pupils and parents with learning at home, to developing a wider remit. In order to meet the needs of parents and children going forward, The Learning at Home Committee require your feedback to develop the website.
