

St Peter's School Newsletter

29th April, 2022

Dear Parents,

Welcome Back!

The children have enjoyed being able to mix with fewer restrictions this week and the first whole school assembly was a reminder of how much we have missed the opportunity to celebrate learning face to face. We have reiterated that good hygiene remains important and regular lateral flows continue to be recommended.

Curriculum News & Parent Consultations

Curriculum letters and information regarding parent consultations will be emailed out shortly.

Flourish/Caring Cooks hot lunches

A reminder that these need to be booked 7 days in advance (we appreciate this is not easy!) and your child still needs a snack for morning break.

flourish.myschoolmealorders.com

The subsidised meals have been so well received by the children. A reminder that if you are an income support claimant, these meals are available to your child without charge.
