Dear Parents and Carers,

Welcome back! I hope you have had an enjoyable half-term with your children, where we have been lucky to have such great weather. It was wonderful to see the children again and they have settled back really well, ready for another productive half-term.

School Core Values

I am delighted to now share the revised core values of the school after consultation with you, our children and the staff. As you will recall in one of my first newsletters, I conveyed my ideas about how vital it is we are clear about our vision, values and purpose: rather than having multiple messages, one set of words should encompass what we are about and all that we are trying to achieve. This ensures greater shared understanding, shared clarity and a consistency across the school. Yesterday, I announced to children in assembly what these are now: **Community, Curiosity and Confidence**. These values will be recognised and promoted through rewarding children using a bead system. This means that all adults will be giving out three different coloured beads representing each value when children show these values. These beads will help reinforce how well children demonstrate the values because each term we will count them! This celebration will unite us, increase consistency and add excitement! Alongside this, each week, a child will also be awarded a core value certificate that will be displayed and then allowed to be taken home so they can share this with you. A celebration of children's learning raises self-esteem and motivation to do even better.

Parent Questionnaire

It's your last chance to complete the short questionnaire that was sent out before half-term. Please do complete as your responses will guide our school development and direction. We will read every single reply carefully and these will help us shape our development priorities for the coming year. It is a really easy process: scan the QR code which will take you directly to the questionnaire <https://forms.office.com/r/sGe5YK4PZC>. **The closing date is tomorrow!**

PTA News and Events

As mentioned before half term, we are really keen to revive the PTA and encourage more membership and activity moving forward now that the situation is more relaxed around covid. Our PTA have done some incredible fundraising over the last few years led by Mrs Stewart so we hope we can continue and achieve even better results. We can now confirm our **annual PTA AGM on Wednesday 9th November at 6.30pm in the school Hall**. Please come along if you want to hear more or join in anyway you can.

We are also planning on hosting a **winter school disco on Tuesday 15th November** so please save the date. The evening will be split into two sessions for younger and older children. More details will follow.

The St Peter's School/Clos de Charmes Sleigh Run organised by the Jersey Round Table is scheduled for Monday 5th December at 5:25pm until 5:40 pm this year. These will be conducted by Stephen O'Sullivan and he has asked if you have any queries to contact him on steve.osullivan@jerseyroundtable.com

With very best wishes,

Ms N Rashid
